## *Chorus:*

C F  
I love chocolate (yes, I do)  
C G  
I love chocolate (and I love you)  
C F  
I love chocolate (yes, I do)  
G C  
I'll share mine with you!

C F  
Time with friends is so much fun  
C G  
Laughing, talking in the sun  
C F  
To make the moment feel just right  
G C  
Chocolate brings delight!

C F  
I take chocolate for my lunch  
C G  
And a piece for the teacher too

C F  
She says apples are boring to munch  
G C  
Chocolate makes her feel brand new

## *Chorus*

C F  
I love chocolate toothpaste  
C G  
My mom says there's no waste  
C F  
I love chocolate's great taste  
G C  
My friends and I eat it face to face

## *Chorus*

C F  
Between Valentine and Hallowe'en  
C G  
You've got the Easter Bunny too  
C F  
So if you're very, very good  
G C  
You can eat chocolate till you're blue

## *Chorus*
